29th Annual Clinic & Research Day

March 3, 2016

The College of Dentistry's annual Clinic and Research Day provides a forum for students, postgrads, and research staff to present research achievements to the members of the College and larger research community. Additionally, Research Day offers continuing education opportunities, dental products and service exhibits, a keynote lecture and student awards. Join us on Thursday, March 3, 2016, as the UIC College of Dentistry takes on the appearance of a national dental conference.

The 2016 event featured over 100 posters covering several topics:

**Cancer Biology/Oral
Cancer**

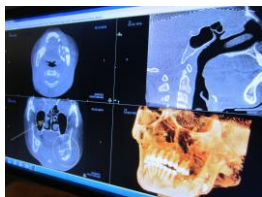

**Biomaterials/Dental
Materials**

**Social
Science/Behavior**

**Wound Healing/Tissue
Regeneration & Repair**

**Imaging
&Therapeutic
Modalities**

**Tooth Development &
Movement**

**Case Reports &
Literature Reviews**
